with Waste-to-Energy/Biomass Project Sponsors from the
Latin America and Caribbean Region
Boston Convention and Exhibition Center – Room 213
Tuesday, August 17, 2010
Sponsored by the U.S. Trade and Development Agency
In Cooperation with the Solid Waste Association of North America

EXPORT OPPORTUNITIES IN THE DEVELOPMENT OF WASTE-to-ENERGY PROJECTS in LATIN AMERICA

The **U.S. Trade and Development Agency (USTDA)** invites you to attend a business briefing for U.S. industry to learn about procurement opportunities in the waste-to-energy/biomass sector in the Latin America and the Caribbean region.

U.S. companies will have the opportunity to receive the latest information on new developments in the Latin American waste-to-energy/biomass sector and to discuss your products and services during one-on-one meetings with project sponsors who are directly responsible for upcoming procurements and project opportunities. Examples include enhanced municipal solid waste management, collection, and disposal in Lima, Peru; the construction of a generation facility that will provide reliable and efficient power generation to reduce the level of municipal solid waste in Rio de Janeiro, Brazil; the reduction of emissions from microenterprise and biomass burning activities in Chile and Mexico; and the development of municipal solid waste-to-energy projects in San Jose, Costa Rica.

MEET THE DECISION MAKERS

The delegation will include senior government and private sector representatives from Brazil, Chile, Colombia, Costa Rica, Mexico, and Peru. Invited delegates include:

- Wilson Massato YAMAGUCHI, MPX Energia S.A. – Brazil
- Eduardo Mendes de OLIVEIRA, Sao Paulo Municipality – Brazil
- Alejandro LARENAS, National Energy Consortium – Chile
- Alvaro VASQUEZ, Institute for the Development of Antioquia – Colombia
- Juan José LAO MARTIN, Non-Traditional Environmental Waste Solutions of Latin America – Costa Rica
- Rafael JIMENEZ, Municipal Government of Zacatecas – Mexico
- Israel Jorge HUARCA, Municipal Government of Lima – Peru
