The U.S. Trade and Development Agency helps companies create American jobs through the export of U.S. goods and services for priority development projects in emerging economies. USTDA links U.S. businesses to export opportunities by funding project preparation and partnership building activities that develop sustainable infrastructure and foster economic growth in partner countries.

**111:1**

$111 in U.S. exports of goods and services for every dollar programmed

- **$529 million**

- **70**
  - Georgia companies gained new business from USTDA activities
- **314**
  - Connections made between GA firms and foreign buyers

**PROVEN RESULTS FOR GEORGIA BUSINESSES**

Renewvia Inc., a small micro-grid company based in Atlanta, GA, benefited from the full suite of USTDA’s tools: Renewvia participated in an East Africa Renewable Energy Reverse Trade Mission while also piloting their technologies to demonstrate their innovative solutions to the African market. Since engaging with USTDA, Renewvia has opened offices in Lagos and Nairobi, increased its U.S.-based workforce by 13 percent, and is now exploring mini-grid projects across sub-Saharan Africa.
