Following a USTDA-funded reverse trade mission, Indian refining company Bharat Petroleum Corporation Limited purchased licenses for hydro-processing and distillation technologies from an engineering firm in Houston, TX.

As a result of a USTDA-funded feasibility study, Klaipėdos Nafta AB, Lithuania’s state-owned oil company, competitively selected Fluor, Inc. (Irving, TX) to perform front-end engineering and design work, and provide advisory services for the construction of Lithuania’s first LNG terminal.

$111 in U.S. exports of goods and services for every dollar programmed

- Exports from TX companies as a result of USTDA’s work: $5.06 billion
- Texas companies gained new business from USTDA activities: 475
- Texas jobs supported by USTDA’s programs (estimated): 29,000
- Foreign buyers brought to Texas by USTDA: 762

The U.S. Trade and Development Agency helps companies create American jobs through the export of U.S. goods and services for priority development projects in emerging economies. USTDA links U.S. businesses to export opportunities by funding project preparation and partnership building activities that develop sustainable infrastructure and foster economic growth in partner countries.
