

TURKEY: TÜPRAŞ REFINING AND PETROCHEMICALS

BUSINESS BRIEFING

October 17, 2019

Houston, Texas

The U.S. Trade and Development Agency (USTDA) is hosting a Business Briefing for the **Tüpraş Refining & Petrochemicals Reverse Trade Mission (RTM)**. Participants will hear from senior decision-makers from Türkiye Petrol Rafinerileri A. Ş. (Tüpraş), who will introduce the company's project and procurement needs as well as commercial and technology interests. Tüpraş is the largest oil refiner in Turkey and is poised to grow through a planned US\$4 billion investment in technology across their four existing refineries.

Thursday, October 17, 2019 08:00 – 14:30

Houston Marriott Energy Corridor, 16011 Katy Fwy, Houston, TX 77094

BENEFITS OF PARTICIPATING:

- Presentations by Tüpraş' representatives, introducing procurement and project needs
- Networking events, including breaks and luncheon (sponsorship opportunities available)
- Pre-scheduled one-on-one meetings with delegates of your choice
