

## Affirmative Action Plan for the Recruitment, Hiring, Advancement, and Retention of Persons with Disabilities

To capture agencies’ affirmative action plan for persons with disabilities (PWD) and persons with targeted disabilities (PWTD), EEOC regulations (29 C.F.R. § 1614.203(e)) and MD-715 require agencies to describe how their affirmative action plan will improve the recruitment, hiring, advancement, and retention of applicants and employees with disabilities.

### Section I: Efforts to Reach Regulatory Goals

*EEOC regulations (29 CFR §1614.203(d)(7)) require agencies to establish specific numerical goals for increasing the participation of persons with disabilities and persons with targeted disabilities in the federal government*

1. Using the goal of 12% as the benchmark, does your agency have a trigger involving PWD by grade level cluster in the permanent workforce? If “yes”, describe the trigger(s) in the text box.

- |                                |            |
|--------------------------------|------------|
| a. Cluster GS-1 to GS-10 (PWD) | Answer No  |
| b. Cluster GS-11 to SES (PWD)  | Answer Yes |

In FY2021, USTDA had 33% in Cluster GS-1 to GS-10 reporting a disability, and 9% in Cluster GS11 – SES reporting a disability. (Please note, due to its small size (of 53 employees), very small changes can lead to wide fluctuations in percentages of the type expressed here.)

\*For GS employees, please use two clusters: GS-1 to GS-10 and GS-11 to SES, as set forth in 29 C.F.R. § 1614.203(d)(7). For all other pay plans, please use the approximate grade clusters that are above or below GS-11 Step 1 in the Washington, DC metropolitan region.

2. Using the goal of 2% as the benchmark, does your agency have a trigger involving PWTD by grade level cluster in the permanent workforce? If “yes”, describe the trigger(s) in the text box.

- |                                 |            |
|---------------------------------|------------|
| a. Cluster GS-1 to GS-10 (PWTD) | Answer Yes |
| b. Cluster GS-11 to SES (PWTD)  | Answer No  |

In FY2021, USTDA had 0% in Cluster GS-1 to GS-10 reporting a targeted disability and 4% in Cluster GS-11 to SES reporting a targeted disability. (Please note, due to its small size (of 53 employees), very small changes can lead to wide fluctuations in percentages of the type expressed here.)

Grade Level Cluster(GS or Alternate Pay Planb)	Total	Reportable Disability		Targeted Disability	
	#	#	%	#	%
Numerical Goal	--	12%		2%	
Grades GS-1 to GS-10	3	1	33.33	0	0.00
Grades GS-11 to SES	45	4	8.89	2	4.44

3. Describe how the agency has communicated the numerical goals to the hiring managers and/or recruiters.

In FY2021, USTDA highlighted information on special hiring authorities, including, disabled veterans, and Schedule A into strategic recruitment discussions with hiring officials. The numerical goal will be highlighted in the “Hiring Manager’s Handbook,” to be issued in FY-2022. USTDA required that all hiring managers take OPM’s “A Roadmap to Success: Hiring, Retaining and Including People with Disabilities,” through its online HR University. Additionally, USTDA routinely reviews the Department of

Labor’s WRP applicant database to identify potentially qualified applicants with disabilities as part of the recruitment process and then discusses those options with the selecting official.

## Section II: Model Disability Program

Pursuant to 29 C.F.R. § 1614.203(d)(1), agencies must ensure sufficient staff, training and resources to recruit and hire persons with disabilities and persons with targeted disabilities, administer the reasonable accommodation program and special emphasis program, and oversee any other disability hiring and advancement program the agency has in place.

### A. PLAN TO PROVIDE SUFFICIENT & COMPETENT STAFFING FOR THE DISABILITY PROGRAM

1. Has the agency designated sufficient qualified personnel to implement its disability program during the reporting period? If “no”, describe the agency’s plan to improve the staffing for the upcoming year.

Answer Yes

2. Identify all staff responsible for implementing the agency's disability employment program by the office, staff employment status, and responsible official.

Disability Program Task	# of FTE Staff By Employment Status			Responsible Official (Name, Title, Office Email)
	Full Time	Part Time	Collateral Duty

Answering questions from the public about hiring authorities that take disability into account	0	0	1	Raquel Martinez-Niles EEO Director/ Administrative Officer rmartinez-niles@ustda.gov

3. Has the agency provided disability program staff with sufficient training to carry out their responsibilities during the reporting period? If “yes”, describe the training that disability program staff have received. If “no”, describe the training planned for the upcoming year.

Answer Yes

As a small agency USTDA does not have dedicated disability program staff. However, the Agency required supervisors to attend OPM’s "A Roadmap to Success: Hiring, Retaining and Including People with Disabilities," through its online HR University in FY2021. Hiring Managers attended “EEO Training for Managers” in July 2021 “EEOC Training for Federal Employees. Topic: Model EEO Workplace, Six Essential Elements” was offered to employees on September 23, 2021. In FY2022, USTDA plans to issue the Hiring Manager’s Handbook and conduct a brownbag for supervisors highlighting the disability and targeted disability

targets established.

**B. PLAN TO ENSURE SUFFICIENT FUNDING FOR THE DISABILITY PROGRAM**

Has the agency provided sufficient funding and other resources to successfully implement the disability program during the reporting period? If “no”, describe the agency’s plan to ensure all aspects of the disability program have sufficient funding and other resources.

Answer Yes

The agency provides all funding necessary to ensure a successful EEO program, including the disability program. In FY2021 a distinct budget line-item for EEO program expenditures was created.

**Section III: Program Deficiencies In The Disability Program**

**Section IV: Plan to Recruit and Hire Individuals with Disabilities**

Pursuant to 29 C.F.R. §1614.203(d)(1)(i) and (ii), agencies must establish a plan to increase the recruitment and hiring of individuals with disabilities. The questions below are designed to identify outcomes of the agency’s recruitment program plan for PWD and PWTD

**A. PLAN TO IDENTIFY JOB APPLICATIONS WITH DISABILITIES**

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

USTDA opens all external vacancy announcements to individuals with disabilities by accepting non-competitive, Schedule A (disability) candidates for consideration via USAJobs which includes all government-wide merit announcements. USTDA utilizes the Department of Labor’s WRP applicant database as a resource for identifying qualified job applicants with disabilities each time a position is advertised for outside consideration. USTDA maintains ongoing dialogue with our contracted Human Resource shared service provider regarding targeting disabled applicants during the recruiting phase.

2. Pursuant to 29 C.F.R. §1614.203(a)(3), describe the agency’s use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWTD for positions in the permanent workforce

USTDA incorporates information regarding special hiring authorities for disabled candidates, disabled veterans and 30% or more disabled veterans into strategic recruitment discussions with hiring officials. All external vacancy announcements are open to individuals with disabilities.

3. When individuals apply for a position under a hiring authority that takes disability into account (e.g., Schedule A), explain how the agency (1) determines if the individual is eligible for appointment under such authority; and, (2) forwards the individual's application to the relevant hiring officials with an explanation of how and when the individual may be appointed.

USTDA receives HR shared services, including staffing and recruitment, from the Department of Interior’s Business Center (IBC). USTDA’s Job Opportunity Announcements (JOA), includes language informing applicants that they can be considered under Schedule A. In the JOA, the agency defines what the requirements are for the position and what supporting documentation is required to support Schedule A eligibility. Schedule A applicants must still meet the specialized experience and best qualified category. Schedule A candidates are placed on a separate certificate for consideration. IBC screens applicants for Schedule A eligibility based on the supplementary documentation that applicants submit with their applications. • SF15 • VOC Rehab letter • Medical documents Applicants eligible for Schedule A appointment are listed on a separate noncompetitive certificate. These certificates are forwarded to USTDA hiring officials through USAStaffing.

4. Has the agency provided training to all hiring managers on the use of hiring authorities that take disability into account (e.g., Schedule A)? If “yes”, describe the type(s) of training and frequency. If “no”, describe the agency’s plan to provide this training.

Answer Yes

USTDA’s hiring officials are aware of Schedule A hiring authority and have been increasingly more interested in utilizing it when a qualified disabled applicant is identified on a certificate of eligible candidates. This success will be reflected in the FY2022 hiring statistics. In FY2021 OPM’s “A Roadmap to Success: Hiring, Retaining and Including People with Disabilities,” was a required training for hiring managers through OPM’s online HR University. In FY2021 USTDA also finalized a Hiring Managers Handbook which has a comprehensive section on hiring authorities for hiring officials. This Handbook is to be issued in FY2022.

**B. PLAN TO ESTABLISH CONTACTS WITH DISABILITY EMPLOYMENT ORGANIZATIONS**

Describe the agency’s efforts to establish and maintain contacts with organizations that assist PWD, including PWTD, in securing and maintaining employment.

The agency’s efforts include: • Accessing the Department of Labor’s WRP applicant database which is reviewed every time a position is competitively advertised. • Establishing recruitment relationships with organizations including MSEP, Peace Corps, etc. • Sharing announcements with universities and colleges. • Participation in job/career fairs. • Posting positions on employer boards.

**C. PROGRESSION TOWARDS GOALS (RECRUITMENT AND HIRING)**

1. Using the goals of 12% for PWD and 2% for PWTD as the benchmarks, do triggers exist for PWD and/or PWTD among the new hires in the permanent workforce? If “yes”, please describe the triggers below.

- a. New Hires for Permanent Workforce (PWD) Answer No
- b. New Hires for Permanent Workforce (PWTD) Answer No

These questions are N/A because there is no data available in the tables provided by IBC. In FY2021 a senior USTDA staff member acted as a WRP Volunteer Recruiter, attending the required training, learning how to navigate the system, interview, and recruit disabled candidates for position government wide. Having this direct connection to WRP has been a valuable resource for the Agency.

## Section V: Plan to Ensure Advancement Opportunities for Employees with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(iii), agencies are required to provide sufficient advancement opportunities for employees with disabilities. Such activities might include specialized training and mentoring programs, career development opportunities, awards programs, promotions, and similar programs that address advancement. In this section, agencies should identify, and provide data on programs designed to ensure advancement opportunities for employees with disabilities.

### A. ADVANCEMENT PROGRAM PLAN

Describe the agency’s plan to ensure PWD, including PWTD, have sufficient opportunities for advancement.

USTDA is committed to the philosophy that a strong federal workforce is an inclusive federal workforce – one that welcomes the skills and talents of all qualified individuals. In accordance with the language and spirit of the Rehabilitation Act of 1973 and the two resulting Executive Orders, USTDA has training programs for all employees, including the disabled. Disabled employees are given full and fair consideration for available opportunities for advancement. Given the highly specialized nature of the work performed, the majority of USTDA positions are in the GS-9 – 13 range. GS-13 is the full-performance level of the primary Mission Critical Occupation (MCO), International Trade Specialist, GS-1140. Once in this career path, successful performers can expect to reach the GS-13 level without further competition. GS-14/15 Regional Director positions, when open, are often limited to internal candidates, thereby increasing the likelihood for advancement. Attorney-Advisors have a career ladder to the GS-14, and these vacancies are filled as Excepted Service, Schedule A appointees.

### B. CAREER DEVELOPMENT OPPORTUNITES

1. Please describe the career development opportunities that the agency provides to its employees.

Leadership development opportunities are provided to all employees which includes PWD and PWTD. GS-12 is the full performance level of the primary Mission Critical Occupation (MCO), International Trade Specialist, GS-1140. Once in this career path, successful performers can expect to reach the GS-13 level without further competition. GS-14/15 Regional Director positions, when open, are often limited to internal candidates, thereby increasing the likelihood for advancement. Attorney-Advisors have career ladder to the GS-14, and these vacancies are filled as Excepted Service, Schedule A appointees. In addition, USTDA often provides internal competition for vacant positions to current employees and/or offers opportunities to change regional areas of responsibility to provide greater breadth of experience. USTDA offers all employees free access to Pryor Learning training and seminars. Utilizing Pryor Learning, employees are able to access over 12,000 live seminars and over 5,000 online training on a variety of career and leadership topics. While USTDA offers career development opportunities that require supervisory approval, they do not require competition.

- In the table below, please provide the data for career development opportunities that require competition and/or supervisory recommendation/ approval to participate.

## Section VI: Plan to Improve Retention of Persons with Disabilities

To be model employer for persons with disabilities, agencies must have policies and programs in place to retain employees with disabilities. In this section, agencies should: (1) analyze workforce separation data to identify barriers retaining employees with disabilities; (2) describe efforts to ensure accessibility of technology and facilities; and (3) provide information on the reasonable accommodation program and workplace assistance services.

### A. VOLUNTARY AND INVOLUNTARY SEPARATIONS

1. In this reporting period, did the agency convert all eligible Schedule A employees with a disability into the competitive service after two years of satisfactory service (5 C.F.R. § 213.3102(u)(6)(i))? If “no”, please explain why the agency did not convert all eligible Schedule A employees.

Answer No

In this reporting period, USTDA did not have any Schedule A employees with a disability who were eligible for conversion into the competitive service
