USTDA'S MISSION AND TOOLS

The U.S. Trade and Development Agency connects America's private sector to infrastructure projects in developing and middle-income countries. We achieve success by funding feasibility studies, technical assistance and pilot projects that integrate the innovation and expertise of American companies. USTDA also connects overseas buyers with U.S. sellers by hosting reverse trade missions, industry conferences and expert workshops across the globe.

Proven Results For Arkansas Businesses

Little Rock, AR

A northern Arkansas-based manufacturer exported railway components as a result of USTDA training focused on modernizing railway locomotives in Indonesia.

Due to the recommendations of a USTDA study, an Arkansas-based provider of power solutions supplied industrial grade electrical motors to support the expansion of a cement manufacturing plant in Peru.
