USTDA'S MISSION AND TOOLS

The U.S. Trade and Development Agency connects America's private sector to infrastructure projects in developing and middle-income countries. We achieve success by funding feasibility studies, technical assistance and pilot projects that integrate the innovation and expertise of American companies. USTDA also connects overseas buyers with U.S. sellers by hosting reverse trade missions, industry conferences and expert workshops across the globe.

Proven Results For Connecticut Businesses

A Connecticut company exported aviation technology to the Indian Government of Maharashtra, following their participation in a USTDA-funded symposium for Indian and U.S. aviation leaders.
