

Ecuador Water and Wastewater Technologies Business Briefing

DECEMBER 8, 2022 | VIRTUAL | 10:00 AM – 1:30 PM EST

Meet Water Sector Decision Makers from Ecuador

The U.S. Trade and Development Agency (USTDA) is hosting a virtual business briefing for U.S. companies interested in water and wastewater sector opportunities in Ecuador. The virtual business briefing will provide an opportunity for U.S. companies to connect with key Ecuadorian decision makers and learn about upcoming projects in the water and wastewater sector.

BACKGROUND

This virtual business briefing will focus on sharing best practices and technology options for monitoring and improving water quality, flood control and wastewater treatment. Ecuadorian project sponsors in the sector are making considerable investments in technologies and solutions in support of greater efficiency in water treatment and distribution processes, wastewater collection, treatment, reuse and disposal, with a strong focus on energy efficiency, automation and analytics for greater long-term sustainability.

The virtual business briefing will:

- Provide a collaborative environment for information exchange and best practices among Ecuadorian and U.S. public and private entities active in the sector.
- Promote the adoption and implementation of solutions for the efficiency and sustainability of the sector.
- Promote best practices on water resources management.

ABOUT USTDA

The U.S. Trade and Development Agency helps companies create U.S. jobs through the export of U.S. goods and services for priority infrastructure projects in emerging economies. USTDA links U.S. businesses to export opportunities by funding projects preparation and partnership building activities that develop sustainable infrastructure and foster economic growth in partner countries.

Attendance at this event is limited to U.S. individuals, U.S. firms, or U.S. consultants as defined by USTDA's Nationality Source and Origin Requirements available on USTDA's website at <http://www.ustda.gov/>.
