## USTDA'S MISSION AND TOOLS

**T**he U.S. Trade and Development Agency connects America's private sector to infrastructure projects in developing and middle-income countries. We achieve success by funding feasibility studies, technical assistance and pilot projects that integrate the innovation and expertise of American companies. USTDA also connects overseas buyers with U.S. sellers by hosting reverse trade missions, industry conferences and expert workshops across the globe.

## Proven Results For Idaho Businesses

An Idaho company was chosen to provide design services for the expansion of a geothermal power plant in Turkey as a result of a USTDA-funded workshop series.

An Idaho company sold airport ground support equipment to Paraguay's largest airport as a result of a USTDA-funded reverse trade mission for aviation officials from Latin America.
