USTDA'S MISSION AND TOOLS

The U.S. Trade and Development Agency connects America's private sector to infrastructure projects in developing and middle-income countries. We achieve success by funding feasibility studies, technical assistance and pilot projects that integrate the innovation and expertise of American companies. USTDA also connects overseas buyers with U.S. sellers by hosting reverse trade missions, industry conferences and expert workshops across the globe.

Proven Results For Kansas Businesses

Topeka, KS

A Kansas-based manufacturer won a contract to supply aircraft to a Zambian airline following a USTDA reverse trade mission focused on Sub-Saharan Africa's growing commercial aviation sector.

A Kansas City area company provided communications technology to improve passenger rail safety in Brazil as a result of a USTDA reverse trade mission on rail infrastructure modernization.
