Malaysia 5G Ecosystem

BUSINESS BRIEFING

TUESDAY, JULY 26, 2022 | WASHINGTON, DC

The U.S. Trade and Development Agency (USTDA) is hosting public and private sector leaders from Malaysia’s information and communication technology (ICT) sector for a visit to the United States July 18-29, 2022. The visit will familiarize the delegation with 5G use cases and vertical applications; technologies and solutions; software-defined and virtualized networks; security considerations; policies and regulations; financing mechanisms; and procurement best practices. As part of the visit, USTDA will host a half-day Business Briefing on Tuesday, July 26, 2022 at 9:00am in Washington, DC. The Business Briefing will include a session for delegates to present information on 5G rollout and related business opportunities in Malaysia. One-on-one meetings with the delegates will be available.

FEATURING TOPICS WILL INCLUDE:

- Overview of 5G policy and investment priorities in Malaysia
- Upcoming procurements and commercial opportunities
- Project development and partnership building tools

ATTEND THE BUSINESS BRIEFING TO:

- Understand Malaysia’s ICT and 5G deployment objectives
- Meet one-on-one with key decision-makers
- Form new business partnerships

DELEGATES REPRESENT:

- Malaysian Communications and Multimedia Commission (MCMC)
- Ministry of Communications and Multimedia, Malaysia (K-KOMM)
- Ministry of Foreign Affairs, Malaysia (MFA)
- Petronas
- Sunway Medical Centre Sdn Bhd
- UCSI University
- KPJ Healthcare Berhad

Sponsorship opportunities are available for companies interested in increased visibility.

Attendance at this event is limited to U.S. individuals, U.S. firms, or U.S. consultants as defined by USTDA’s Nationality Source and Origin Requirements available on USTDA’s website at www.ustda.gov.
