USTDA'S MISSION AND TOOLS

The U.S. Trade and Development Agency connects America's private sector to infrastructure projects in developing and middle-income countries. We achieve success by funding feasibility studies, technical assistance and pilot projects that integrate the innovation and expertise of American companies. USTDA also connects overseas buyers with U.S. sellers by hosting reverse trade missions, industry conferences and expert workshops across the globe.

Proven Results For Mississippi Businesses

A Mississippi company exported its technology as a result of USTDA training assistance for a rural electrification project in Senegal.

USTDA technical assistance resulted in a Mississippi company exporting electricity distribution equipment to the Philippines that is improving electricity access in rural communities.
