## USTDA'S MISSION AND TOOLS

**T**he U.S. Trade and Development Agency connects America's private sector to infrastructure projects in developing and middle-income countries. We achieve success by funding feasibility studies, technical assistance and pilot projects that integrate the innovation and expertise of American companies. USTDA also connects overseas buyers with U.S. sellers by hosting reverse trade missions, industry conferences and expert workshops across the globe.

## Proven Results For New Mexico Businesses

As a result of a USTDA feasibility study, a New Mexico-based company exported technology to support advanced weather forecasting in Eastern Europe.

A Santa Fe engineering firm won a contract to provide transportation security solutions following its participation in a USTDA workshop.
