

**FEBRUARY 2, 2023 | THE MAYFLOWER HOTEL | WASHINGTON, DC**

## Meet 5G Leaders from Thailand

The U.S. Trade and Development Agency (USTDA) is hosting a Business Briefing on Thursday, February 2, 2023, from 9:00 AM – 1:00 PM EST in Washington, DC for U.S. companies to learn about business opportunities in Thailand for 5G and next-generation network technologies and applications, cloud and edge computing, and other connectivity solutions.

### BACKGROUND

Among the largest economies in Southeast Asia, Thailand is a leader in 5G deployment to promote digital economy growth and innovation.

The Thai market offers opportunities for U.S. companies to provide a broad range of network infrastructure technologies, 5G applications, cloud and edge solutions, satellite technologies, and technical advisory services.

Delegates include representatives from:

- National Broadcasting and Telecommunications Commission
- Ministry of Digital Economy and Society
- Telecommunications Association of Thailand under the Royal Patronage
- National Telecom Public Company Limited
- True Corporation Public Company Limited
- Total Access Communication Public Company Limited
- Advanced Wireless Network Company Limited

The briefing is part of USTDA's **Thailand 5G Ecosystem Reverse Trade Mission (RTM)**. The objective of the mission is to familiarize public and private leaders from Thailand with U.S. next-generation network technologies and applications; solutions for expanding connectivity and 5G commercialization; policy and regulatory best practices; and opportunities to promote greater technical and commercial collaboration between the United States and Thailand.

### ABOUT USTDA

The U.S. Trade and Development Agency helps companies create U.S. jobs through the export of U.S. goods and services for priority infrastructure projects in emerging economies. USTDA links U.S. businesses to export opportunities by funding projects preparation and partnership building activities that develop sustainable infrastructure and foster economic growth in partner countries.

Attendance at this event is limited to U.S. individuals, U.S. firms, or U.S. consultants as defined by USTDA's Nationality Source and Origin Requirements available on USTDA's website at <http://www.ustda.gov/>.

### WHY YOU SHOULD ATTEND

- Learn about upcoming project opportunities and procurements
- Understand the landscape of Thailand's ICT and 5G sectors
- Meet one-on-one with key decision-makers
- Form new business partnerships

### BUSINESS OPPORTUNITIES

The delegation is interested in procuring products, technology, and services in the following areas:

- 5G applications in vertical industries
- Software-defined and virtualized networks
- Security and data protection applications, technologies and solutions
- Technologies for digital transformation, inclusion and rural deployment
- Satellite solutions
