USTDA'S MISSION AND TOOLS

The U.S. Trade and Development Agency connects America's private sector to infrastructure projects in developing and middle-income countries. We achieve success by funding feasibility studies, technical assistance and pilot projects that integrate the innovation and expertise of American companies. USTDA also connects overseas buyers with U.S. sellers by hosting reverse trade missions, industry conferences and expert workshops across the globe.

Proven Results For Virginia Businesses

Richmond, VA

A company based in Fredericksburg exported power equipment to an electricity distribution utility in the Philippines as a result of a USTDA-funded feasibility study to support a smart grid pilot project.

An Arlington-based company was selected for a contract to provide technical inspection and auditing services for Honduras' Port of Cortés following a USTDA-funded technical assistance that supported the modernization of the Port's infrastructure and operations.
